

ABSCENT – Concentrated, Liquid Odor Neutralizer

Description

This product is specifically formulated to eliminate sour-smelling organic odors resulting from smoke, pet odors, putrefaction, mildew, rest rooms, garbage areas, etc. It is highly concentrated and designed to be sprayed in the air, on surfaces or added to cleaning solutions

Features

- Economical
- Easy To Use
- Highly Concentrated
- Environmentally Friendly

Areas of Use:

- Bathroom Floors and Fixtures
- Bedpans, Toilets and Urinals
- Carpets and Floors

Use And Directions

GENERAL USAGE: Add 1 or 2 oz. to carpet shampoo, mopping solutions, garbage disposals and receptacles and air conditioner filters.

FOR AREA DEODORIZING: Disperse into air with suitable hand or electric sprayer.

FOR SURFACE APPLICATION: Dilute 3 to 1 with water. Spray directly onto drapes, rugs and upholstery to eliminate stale and tobacco odors.

FOR HOSPITALS & NURSING HOMES: Add a few drops to bed pans, toilets, urinals or mattresses. This product is also effective in laundry wash water and mopping solutions.
