

BERRY NICE – All Purpose Economy Cleaner

Description

This product is a fast acting, all-purpose cleaner for all types of interior and exterior removal of soil, stains, mud, grease marks, handprints and light wax build-up. Its unique blend of cleaning ingredients provides outstanding wetting and emulsifying qualities. It penetrates, dissolves and floats away dirt and other soils from floors and washable surfaces. It contains no caustics, acids, abrasives or other ingredients harmful to the skin, clothing or resilient type surfaces.

It rinses freely, is hard water tolerant and leaves no soap or film residue. It will not dull or remove floor finish, nor damage floor surfaces and is safe to use on any surface that water will not harm.
