

BULLDOZER – Extra Heavy Duty Cleaner / Degreaser

Description

This product is a powerful combination of natural terpene derivatives and highly active cleaning agents, combined for the first time into a water dilutable product with extremely high dilution ratios to produce the highest cleaning efficiency at the most economical cost with the least amount of labor.

It safely cleans almost any grease and soil, no matter how tough, from any surface not harmed by water, when used according to directions. It may be sprayed, wiped or mopped on.

Features

- Multi-Purpose
- Mop, Spray Or Wipe On
- Extremely Concentrated
- Wheels And Wheel Covers
- Easily Removes Disc Brake Dust

Use And Directions

Dilutions may vary depending on surface and amount of contamination. In normal use, spray, mop or wipe on surface in recommended dilutions, allow 2-3 minutes dwell time. Scrub as necessary and rinse or wipe off. For general cleaning, dilute 1 up to 100 parts water.

Recommended Dilution Rates

Walls, Woodwork, Light Fixtures.....	1:100	Heavy Duty Degreasing	1:20
Floors & Furniture	1:80	Coil Cleaner.....	1:15
Wheel Cleaning	1:10	Food Handling Areas	1:80
Pressure Washing.....	1:80	Cutting Tables, Shackles	1:60
Engine Cleaning.....	1:20	Institutional Ovens & Utensils	1:20
Light Duty Degreasing.....	1:40	Loading Docks, Garbage Receptacles	1:20

Note: Too concentrated a solution may tend to dull or remove old, faded paint and varnish. Test on an inconspicuous area before use.

Physical Properties

Physical Form:.....	Liquid	Specific Gravity:.....	1.045
Appearance:.....	Clear	pH (Concentrate):.....	12.95
Color:.....	Water White	Evaporation Rate (Water = 1):.....	1.0
Fragrance:.....	Citrus	Flash Point (C.O.C.):.....	None
Water Solubility:.....	Complete
