

## **CANNIBAL<sup>®</sup>, Bacteria Enzyme Complex**

### **Description**

#### **Eats Odors caused by Pet & Human Urine, Vomit and Other Organically Based Odor Causing Wastes.**

These cultures are a new generation of highly invigorated bacterial enzymes with a strong deodorant incorporated in the product. CANNIBAL is especially effective in getting down in porous surfaces where bacteria thrive to assure long-lasting odor control. CANNIBAL is well suited for use on surfaces to deodorize. It is also very effective in keeping drains free flowing and free of odors.

Available in convenient quarts bottles. Also available in 4X1 gallon cases and 5 gallon pails, with a minimum 55 gallon order.

### **Features**

- Non-Toxic
- pH Neutral
- Non-Corrosive
