## **S-34 - Spray and Wipe Cleaner / Degreaser**

### **Description**

This water based cleaner / degreaser removes grease, oils, wax carbons and inks from virtually any surface. Convenient spray-and-wipe blend requires no mixing or rinsing. Use on counter tops, walls, machinery and several other surfaces.

S-34 contains a rust and corrosion inhibitor making it an ideal cleaner for unpainted metal surfaces.

### **Features**

- Economical
- De-Oxidizes
- Safe to Use
- Non-Corrosive
- Non-Flammable
- Ideal for Metal Surfaces

### **Use And Directions**

Simply spray on and allow a few minutes contact time for penetration. Rinse or wipe clean. Agitation with a soft brush or rag may be required in severe situations.

### **Physical Properties**
