

WHITE 'N BRITE - Tile And Grout Cleaner

Description

This product cleans and brightens dirty and dull ceramic tile and grout. It literally pulls the contaminants and soil from the surface, leaving spotless tile and dazzling white grout.

This product contains a combination of powerful surfactants and inhibited acids for effective cleaning action and safe handling.

Features

- Fast Acting
- Non-Flammable
- Safe & Effective
- Pleasant Fragrance

Use And Directions

May be used undiluted or mixed with up to ten parts water. Wet surface before application. Spray on, using coarse spray pattern, let stand for 30-60 seconds then brush vigorously and rinse off.

Used by anyone with ceramic tile floors and dirty, blackened grout.

CAUTION: Not for use on MARBLE surfaces.
